The Interreg IV A Project “BeltLogistics”

Background

BeltLogistics aims at establishing cross-border cooperation between associations and public authorities dealing with the transport and logistics sector including the knowledge and research institutions as well.

During this final conference of the project the partners will share the findings of the three main themes that were dealt with in the project:

- Establishment of a cross-border network
- Education possibilities
- Cluster analysis

The project “BeltLogistics” was initiated by Wirtschaftsförderung Lübeck GmbH and Roskilde University in connection with the development scheme of the “Fehmarnbelt-Region” 2007-2013 through the EU support program INTERREG IVA.

The seminar will be held in English.
